This Information Disclosure Statement is being submitted in an abundance of caution to formally enter two additional United States Patents (6,189,278 and 6,401,416) which were included with the group of patents that were submitted with the Information Disclosure Statement that was filed on March 5, 2003. Copies of these two patents were accidentally stapled to the back of other submitted patents and as such were inadvertently omitted from the Form PTO/SB08A. These two references are listed on the attached Form PTO/SB08A and copies are included herewith for the Examiner's convenience. Consideration and entry into the record of these references is respectfully requested.

Respectfully submitted,

VICTOR C. LI ET AL.
